

REMARKS

Claim 22 has been amended in order to more particularly point out, and distinctly claim the subject matter to which the applicants regard as their invention. The applicants respectfully submit that no new matter has been added. It is believed that this Amendment is fully responsive to the Office Action dated **October 20, 2005**.

Claim Rejection under 35 USC §112

Claim 22 stands rejected under 35 U.S.C. §112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. Claim 22 would be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. §112, second paragraph.

Specifically, the Examiner indicates that the phrases “said drawing unit” and “the outer frame” in line 11 of claim 22 lack proper antecedent basis. Taking the Examiner’s comments into consideration claim 22 has been amended. Therefore, withdrawal of the rejection of claim 22 under 35 U.S.C. §112, second paragraph, is respectfully requested.

Conclusion

In view of the aforementioned amendments and accompanying remarks, claims 1-22, as amended, are believed to be in condition for allowance, which action, at an early date, is requested.
